BARRYMORE

RULEBOOK

A PROGRAM OF *THEATRE PHILADELPHIA*
www.theatrephiladelphia.org

MISSION

Founded in 2012, Theatre Philadelphia is dedicated to bringing together and celebrating Philadelphia's diverse and growing theatre community. We are committed to leading efforts that grow audiences and promote the public's participation in this community's work.

THE BARRYMORE AWARDS

The Barrymore Awards have served as Philadelphia's professional theatre awards program since 1994, recognizing artists for excellence and innovation while increasing public awareness of the richness and diversity of our city's thriving theatre community. The Barrymore Awards are a nationally recognized symbol of excellence for professional theatre in our region, raising the bar for the work produced by local theatres and individual artists while generating coverage in local and national media. The Barrymore Awards also include cash awards that strengthen theatre companies and individual artists' abilities to pursue artistic work of the highest caliber. *Theatre Philadelphia* seeks to leverage the Barrymore Awards to provide high-value marketing exposure for all participating theatres and artists.

BARRYMORE AWARDS ELIGIBILITY

All eligibility requirements must be met in order to submit a production for Barrymore Awards consideration. The producing theatre company must:

- Be a 501(c)(3) or fiscally-sponsored organization
- Have its organizational residency and performance venue within a 35-mile radius of City Hall in Philadelphia, Pennsylvania
- Submit all productions for Barrymore consideration at least eight weeks before the first performance
- Remit a submission fee of \$150 per production at least four weeks before the first performance. Some productions may be eligible for an adjusted submission rate, see **Waiver for Companies Led by Artists of Color (pg. 4)**
- Provide one or two complimentary tickets to each of eight randomly-selected Barrymore Nominators for initial Barrymore consideration
- Provide one or two complimentary tickets to each attending Barrymore Judge for all productions elevated to Barrymore Recommended status; this will depend on the Recommendation by the Nominators to the respective Judge panel(s) which are each made up of 7 Judges

Each production submitted for consideration must:

- Meet the minimum number of performances that may be attended by Barrymore Nominators and Judges (at the discretion of the producing company, previews may be included to satisfy this requirement); see **Performance Minimums Requirements (pg. 4)**
- Meet or exceed the following minimum pay scale: \$150 per week for all actors who appear on stage; \$200 per week for stage managers; \$500 per production for all credited composers, choreographers, and scenic, costume, lighting, and sound designers; \$750 per production per director. Some productions may be exempt from payment minimums, see **Waiver for Companies Led by Artists of Color (pg. 4)**

Presented Productions

Presented productions are ineligible for Barrymore Award consideration. Presented productions are defined as productions in which the participating theatre company has contributed limited artistic input and/or productions that as of their opening have been developed, produced, or contracted specifically for one or more theatres outside the Greater Philadelphia area prior to or following their Philadelphia run.

Remounted Productions

Remounted productions are ineligible for Barrymore Award consideration if the same production was submitted for Barrymore Adjudication in the any of the previous seven seasons.

Performance Minimums Requirements

A production will be eligible if it meets the following performance schedule requirements:

- **7 or more Performances:** A production will be eligible if the schedule allows for three performance dates for Nominators to attend and at least four shows on at least three unique performance dates beginning at least five days after the last Nominator performance for Judges to attend - if Recommended.
- **6 Performances:** A production with a limited-run will be eligible if the schedule only allows for at least two performance dates for Nominators to attend, providing that there are still at least four shows on at least three unique performance dates that begin at least five days after the last Nominator performance for Judges to attend - if Recommended

An update to the minimum number of performances required was adopted for this season in order to increase accessibility to the Barrymore Awards program for companies of all sizes producing work on a professional level while assuring as little additional burden on our adjudicators as possible and preserving the two-tier adjudication system.

This allows Judges multiple opportunities to see a Recommended show, and enough turnaround time for Theatre Philadelphia's staff to notify Judges as well as time for Judges to contact the producer for tickets. For information on eligibility, see **New Performance Minimum Examples** in Appendix (pg. 20)

Waiver for Companies Led by Artists of Color

To be considered for this Waiver, a company must meet the following requirements:

- An annual budget of \$100,000 or less
- Artistic Director or equivalent position must be a person of color and/or Company's Board of Directors must be 60% people of color

Upon the verification of these requirements, Applicants are eligible for the following:

- **Payment Minimum Waiver:** While meeting payment minimums is preferred, companies may submit a brief explanation to illustrate the necessity for an alternate pay structure.

- **Submission Fee:** If the \$150 submission fee presents a barrier to participation, a company may propose an adjusted rate for submission according to the company's ability to pay.

Producers interested in the Waiver will be sent a separate application by Theatre Philadelphia staff. Waiver Application will also allow for space to explain if the producing company does not meet additional eligibility requirements as they are laid out above.

This amendment to the rules was adopted in an effort to curtail barriers to participation in Theatre Philadelphia's Barrymore Awards program for artists of color and the companies they lead and with the hope of positively addressing historical inequities faced by people of color. (The details of the following were arrived at after separate conversations by Akeem Davis with the leadership of *Theatre in the X*, *PAPA* and *Power Street Theatre Company* as well as the *Eligibility Subcommittee of the Barrymore Oversight Committee* including LaNeshe Miller White, Cat Ramirez, Eliana Fabiyi, Natalia de la Torre, Dan O'Neil. Dan Perelstein is a co author.)

BARRYMORE NOMINATOR AND JUDGE SELECTION

Each spring, the Barrymore Oversight Committee identifies a pool of 28 Judges and approximately 75 Nominators to adjudicate the upcoming season of Barrymore-eligible productions. The Judges are placed into 4 separate panels - Play Panel, Musical Panel, Design Panel, and New Works Panel, which have 7 Judges per Panel.

The annual process begins in early March with publication of the Nominator/Judge Application, which is due in April. Each member of the Barrymore Oversight Committee individually reviews all complete applications and charts their top choices for Judges and Nominators. All selections are aggregated by *Theatre Philadelphia's* staff, and selections are discussed and finalized by the Barrymore Oversight Committee in mid-May. Applicants are notified about the status of their application at the end of May. All selected Nominators and Judges are required to attend an orientation session, scheduled in the early evening hours on the final Monday in June.

Barrymore Nominators and Judges may serve a maximum of three consecutive seasons, and must reapply and be approved via the selection process conducted annually by the Barrymore Oversight Committee. In order to maximize inclusiveness and ensure fresh perspectives, the Barrymore Oversight Committee seeks to rotate 30% of the existing Nominator/Judge pool each season, through either natural attrition or lottery selection.

Barrymore Judges will also be provided a \$200 stipend.

The Barrymore Oversight Committee is dedicated to creating an annual Nominator/Judge pool of committed and knowledgeable theatre professionals that are reflective and inclusive of our community's diversity, including artistic discipline, gender, age, and ethnic background. To aid the Barrymore Oversight Committee with this ongoing effort, we invite qualified applicants from all backgrounds and experiences to apply.

VOTING PROCESS

Eight Barrymore Nominators are randomly assigned to attend one of the first three eligible attendance dates (or two eligible attendance dates in the case of Limited Run productions). In order to cast a ballot, Nominators must see the entire production with the original cast. Within 24 hours of attending the performance, each Nominator submits an online ballot in which they cast a YES or NO vote in each artistic category (except *Outstanding New Play/Musical*). If a production receives at least five YES votes in any single award category, that production is designated as Barrymore Recommended and moves on to the Judges for further Barrymore consideration. The artistic category or categories for which a production is Recommended will determine which panel or panels will attend the production. The following breakdown shows the Nomination Categories each group will adjudicate:

Play Panel

Categories Play Panel Judges Will Adjudicate:

- **Outstanding Overall Production of a Play*
- *Outstanding Ensemble in a Play*
- *Outstanding Direction of a Play*
- *Outstanding Leading Performance in a Play*
- *Outstanding Supporting Performance in a Play*
- *Outstanding Original Production*
- *Outstanding Choreography/Movement in a Play*

Musical Panel

Categories Musical Panel Judges Will Adjudicate:

- **Outstanding Overall Production of a Musical*
- *Outstanding Ensemble in a Musical*
- *Outstanding Direction of a Musical*
- *Outstanding Leading Performance in a Musical*
- *Outstanding Supporting Performance in a Musical*
- *Outstanding Choreography/Movement in a Musical*

Design Panel

Categories Design Panel Judges Will Adjudicate:

- **Outstanding Overall Production of a Play*
- **Outstanding Overall Production of a Musical*
- *Outstanding Lighting Design*
- *Outstanding Scenic Design*
- *Outstanding Costume Design*
- *Outstanding Sound Design*
- *Outstanding Media Design*
- *Outstanding Original Music*

*New Works Panel

Categories New Works Judges Will Adjudicate:

- *Outstanding New Work*

Outdoor + Virtual Panel

Categories Outdoor + Virtual Judges Will Adjudicate:

- *Outstanding Outdoor Production*
- *Outstanding Virtual Production*

**The New Works Panel attends every submitted eligible production that is a World Premiere. A World Premiere production is defined as a piece of theatre having its first professional production in the Philadelphia region. This would be self-identified by the producer at the submission stage, vetted by staff and, if necessary, the New Works panel to confirm.*

If a Production is Recommended by the Nominators for the Categories *Outstanding Overall Production of a Play* or *Outstanding Overall Production of a Musical*, the following will occur:

- Recommended for *Outstanding Overall Production of a Play*: Production will be assigned to both the Play Panel and the Design Panel
- Recommended for *Outstanding Overall Production of a Musical*: Production will be assigned to both the Musical Panel and the Design Panel
- If Recommended by the Nominators to both Musical and Design Panels OR Play and Design Panels, the production can be considered for Outstanding Overall Production of a Musical or Outstanding Overall Production of a Play (respectively)

Barrymore Judge Panels meet quarterly throughout the theatre season to discuss the productions they have seen. These meetings are intended to foster thought-provoking dialogue about the work being considered; award recipients are not determined at these meetings. Judges will also take part in Anti-Bias workshops with trained Equity, Diversity, and Inclusion professionals.

At the end of the Barrymore Awards season, Judge Panels are provided with a master list of category submissions of all Barrymore Recommended productions that their respective panel is responsible for adjudicating (as laid out above). Judges submit their top choices in each award category to *Theatre Philadelphia's* Programs Manager, who aggregates the results for discussion at the final Judges meeting.

At this final meeting, the Judges proceed to collaboratively narrow their choices down to a maximum of fourteen nominees for Play performance categories (Lead/Supporting), eight nominees for Musical Performance categories (Lead/Supporting), seven nominees in each Play non-performance category, seven nominees in each design category, and four nominees in each Musical non-performance category.

The Play/Musical and Design Panels will work collaboratively to determine the nominees for Outstanding Overall Production of a Play or Outstanding Overall Production of a Musical respectively.

In the case that any decisions about nominees cannot be made at the final meeting, Judges will cast votes online to narrow down the pool and make final nominee list.

Once all of the nominations are announced, the complete list of award nominees appear on a

final online ballot from which the Judges privately cast their votes in each award category. These final votes are tabulated using a weighted scoring system.

For example, for a category with 7 nominees, 7 points for each first choice vote, 6 points for each second choice vote, 5 points for each third choice vote, and so on. For each non-performance category, the finalist receiving the highest average (mean) score in each non-performance category will be deemed the award recipient. For each performance category, the finalists who receive the two highest average scores will be deemed the award recipients.

As our pool of Judges includes a number of working theatre professionals, it is possible that all assigned Judges may be unable to attend every Barrymore Recommended production; Judges may cast ballots only for productions that they have seen in their entirety with their original cast. Judges may also find themselves eligible for Barrymore Award consideration; Judges are asked to exit the room during discussions of categories in which their work is being considered. Judges who have a formal role within a producing organization and/or are an official contributor to a production must abstain from voting on that production. In all cases, the process of calculating average (mean) scores eliminates the effect that any Judge's abstention would have on final tabulation results.

Each season, the Barrymore Awards system and ballots are analyzed by an independent auditing firm to ensure that all rules and policies have been followed. The auditing firm also certifies the nominees and recipients for each season. Until they are announced at the Barrymore Awards ceremony, the final voting results are known only to *Theatre Philadelphia's* staff, one *Theatre Philadelphia* Board Member, and *Theatre Philadelphia's* Publicist.

TIE BREAKING

In the case of a tie between two or more individuals or productions, the method applied to break the tie is as follows:

1. *Drop the lowest score received by the tied individuals or productions and re-tabulate using only the remaining ballots. The individual or production with the highest score will be named the Barrymore Award Recipient.*
2. *If a tie still remains, drop the next lowest score received by the tied individuals or productions and re-tabulate using only the remaining ballots. The individual or production with the highest score will be named the Barrymore Award Recipient.*
3. *Repeat step 2 X number of times until you have a winner and if a tie still remains after X number of tie-breakers, both productions or individuals will receive the award.*

This tie-breaking process will also be implemented and verified by an independent auditing firm.

WHAT IS BARRYMORE RECOMMENDED?

In addition to celebrating and honoring our theatre community's collective achievements, *Theatre Philadelphia* seeks to use the Barrymore Awards as an engine to:

- Inform the general public about the great theatre being created here in Philadelphia
- Drive audience attendance to Barrymore participating productions
- Promote the Barrymore Recommended brand as a recognizable indicator of quality

Barrymore Recommended productions move on to the Judges for further Barrymore consideration, and the designation also serves as a marketing tool for theatres to use in promotion of their productions. Once Nominator voting is complete and a production achieves Barrymore Recommended status, *Theatre Philadelphia* notifies the producing theatre and provides access to a wealth of promotional opportunities, including logos, language, and inclusion in our targeted marketing efforts, which are designed to give an extra promotional push to productions via our website, digital advertising, and social media channels while they are still on stage. View *Theatre Philadelphia* website for all up-to-date marketing opportunities.

Producers will be notified about Recommendation status as it relates to the Judging panel(s) that will see the work. Theatre Philadelphia may also use this more specific language in marketing outlets as they see fit to highlight aspects of productions.

POLICY FOR RESCINDING AN INDIVIDUAL BARRYMORE AWARD

PURPOSE

This Policy applies to individual awards given through the adjudicated Barrymore Awards and all other Theatre Philadelphia cash awards and committee selected Barrymore Awards which are given to singular artists, as opposed to organizations or ensembles. This Policy seeks to hold accountable any individuals who may have been honored for their work in the past, but with new information that has come to light about past misconduct related to the award demands further review.

POLICY

As recommended in the year 2020 by the Rescinding Awards Subcommittee, which includes past Lifetime Achievement Award Committee members, Theatre Philadelphia's Board of Directors, Staff, and Barrymore Oversight Committee members, it is appropriate to review the matter of rescinding a Barrymore Award when the following conditions are met:

- An individual or organization has exhibited a history of abuse and or has caused unresolved harm, the result of which have directly or indirectly created an unsafe and toxic environment for artists or theatre workers
- An accountability process was attempted, but failed
- The abuse or harm in question immediately affects those who work in the Philadelphia theatre community

- There is overwhelming community mobilization and outreach to seek a review with at least 10 individuals petitioning for review of the award
- The award in question is in recognition of a range of work or contributions during the time the harm was created

Case by Case Basis:

Theatre Philadelphia's Board reserves the right to assemble a Subcommittee to review a Rescission of an Award when the above criteria are met, or to amend the criteria if and when it is appropriate.

PROCESS OF RESCISSION

1. A Subcommittee will be formed at the behest of the Board and will be made up of stakeholders which include board members, staff, awards committee members, participating theater representation, and Barrymore Adjudicators. The Subcommittee will review any public information about the situation, including comment from the subject of the award review, public and private testimonies and messages sent from community members who have delivered recommendations or requests.
2. The Subcommittee will determine whether or not the actions of the individual in question has met the conditions for Rescission. The decision must be unanimous to move forward.
3. The Subcommittee will either write a Recommendation to Rescind or to Not Rescind based on the decision that was made. The Recommendation will be brought to the next board meeting for approval. If a Recommendation is not approved by the Board, they can choose to either disband the Subcommittee or ask the Subcommittee to reevaluate their findings. At this time the Board would craft a statement on their reasoning for not accepting the recommendation from the Subcommittee to be on record.
4. If a Recommendation to Rescind is approved, the individual in question will be sent a letter of notification. The letter will lay out the Recommendation and the findings of the decision. It will also allow the individual (7) days before the announcement is made public and offer them the opportunity to announce and recognize the rescinding of the award as they see fit.
5. As a result of Rescission, the award of the individual in question will be stricken from all public Theatre Philadelphia platforms and a public statement about the decision will be made available.

BARRYMORE AWARDS GOVERNANCE (to update once new BOC Members are voted on)

New Performance Minimum Examples

Nominating Performances

The producer will designate three performances for Nominators to attend. They can choose previews, or they can choose three performances the week of their official press opening. For productions with a run of two weeks or less, this can be reduced to two performances.

Judging Performances

There must be at least four shows on at least three unique days that begin at least five days after the last Nominator performance. This allows Judges multiple opportunities to see a recommended show, and enough turnaround time for Theatre Philadelphia's staff to notify Judges as well as time for Judges to contact the producer for tickets.

Reserving Judge Tickets

For productions with 12 or fewer performances, Judges should be able to reserve their tickets with the theatre ahead of time, before a production has been evaluated by the Nominators. If a production is not Recommended, the producer reserves the right to cancel those tickets. Theatre Philadelphia staff will also send a monthly digest of Barrymore-eligible productions and when they close to the Judges, helping them plan ahead and reduce the last minute stress of reserving tickets.

Eligibility Cases -

2 Weekends of Shows: Eligible!

Since there are 4 performances on three unique days (Fri, Sat, Sun) that happen long enough after the production gets evaluated by Nominators, this show is eligible with 9 shows over 2 weekends!

Mon	Tue	Wed	Thu Preview	Fri Noms @ Opening	Sat Noms @ 8pm Show	Sun Noms @ 2pm Show
